

Directions

Black Eagle Lodges is on Kempstrivier Farm. The closest town is Caledon.

From Cape Town, take the N2. Go over the Houwhoek Pass; past Botrivier towards Caledon. Less than a km after passing the R43 turnoff (before Caledon) you will see the Dassiesfontein farm stall on your right. Turn right here and travel on this gravel road (the Waboomskloof rd) for approx. 8 kms until you get to a T-junction.

Turn right and then 30m on immediately first left. After about 2.6 km's you will drive through the Kempstrivier farm gates. Continue directly to reception at the main house. From reception you will be directed on the same road through the oaks and up the hill where you will turn right. The road then forks left to the villa and right to the lodge.

From Caledon, turn right at the silos (Cemetery road) and drive past Superquick and the traffic dept. The road becomes gravel. Take the left fork over the railway line. Travel on this road for +- 10km's (past the farm "Franskraal") and turn left at the sign to Black Eagle Lodges. After 2.6 km's you will see the Kempstrivier farm gates. Continue through the gates and directly on to reception at the main house.

From Hermanus, either drive to Botrivier and follow the Cape Town directions given above, or alternatively take the R320 from Hermanus to Caledon, via the Hemel en Aarde valley. After about 30 km's you will pass the Teslaarsdal turn-off and then drive over Shaw's mountain pass. About one km from the top of the pass you will see a road to the left ("Muirton" farm/ "Koringhuis"). Travel on this gravel road for 8km's to Kempstrivier farm, reception is at the main house.
